**Note:** *Farnworth is a town in the Metropolitan Borough of Bolton, Greater Manchester, England, 2.3 miles southeast of Bolton, 4.3 miles south-west of Bury, and 7.5 miles northwest of Manchester. Historically in Lancashire, Farnworth lies on the River Irwell and River Croal.*

## GENEALOGY SOURCES FOR THIS JOURNAL

## FOREWORD

### ANCESTORS FOR 'PETER HUTCHINSON' AND HIS FAMILY OF NEW ZEALAND

#### MANY HAVE ASKED: "SO, WHO WERE HIS PATERNAL GRANDPARENTS?"

**Note:** *Megan and the compiler have come up with differing scenarios for this question and so the compiler decided he would research two of these scenarios and record his findings in this journal. The reader can then decide for themselves....*

*The first scenario has been researched and documented from official records by the compiler and added to this journal...*

*The second scenario is the one that [www.ancestry.com](http://www.ancestry.com) has thrown out there into cyberspace for the world to see. The compiler has now researched and added some differing official records for this scenario to this journal...*

**Note:** Some historical facts to consider...

**For our Hutchinson family** the cotton industry was one of the main sources of income with many of the extended families of our Hutchinson family working in the factories around the centre of Bolton, near Manchester of Lancashire. Walking to work was probably the theme of those days?

The English railways became another source of income as well with both **Peter** and his father **Thomas** working in different jobs for this modern travel system, which was being developed in Lancashire County, just one of the many counties in the United Kingdom the rail was connecting too.

Another factor to take into consideration when deciding the birthplace of our **Thomas Hutchinson** (and there were a few of this name) is the name of the village where he was born and or baptized and where he married and settled and had his children.

When you see the marriage certificate attached in journal two for this family "**Hutchinson Family Genealogy and History**" you will see that both Thomas and his wife signed with an X. This would indicate that they were probably not educated in the skills of writing, so therefore, there is no doubt that they came from humble backgrounds. And so financially, this in turn would limit their ability to travel any distance and so one must take into account the distance between where they were born and where they settled and worked. They had big families and so there would have been very little money left over at the end of the week to pay for travel of any distance.

**OFFICIAL INFORMATION FOR OUR THOMAS HUTCHINSON BORN ABOUT 1808**

Following are some facts from the actual English census records we have added to the main journal for 'our' **Thomas Hutchinson** born about 1808...

1841 census he says he was age 30 and born in Lancashire.

1851 census he is age 43 and was born in Farnworth, Lancashire.

1861 census he was age 52 and was born in Farnworth, Lancashire.

1881 census he was age 72 and was born in Farnworth, Lancashire.

So, the overall average is having him born about 1808-1809 depending on which month of the '*census year*' the records were collected and what mood he was in, when asked which year he was born for his census...

## SCENARIO ONE

### THE KEY TO THIS SCENARIO ARE THE VILLAGES

(DEANE, RINGLEY AND FARNWORTH)

**Note:** *These villages are very close together just south of the city Bolton, Lancashire, England. The compiler believes these villages are where our **Peter Hutchison's** families hung their hats all those many moons ago...*

**Note:** *After looking at the different scenarios the compiler is now 95% sure that our **Thomas** was born to **Peter Chatterton** and **Mary Hutchingson/Hutchinson** of **Ringley**, Lancashire.*

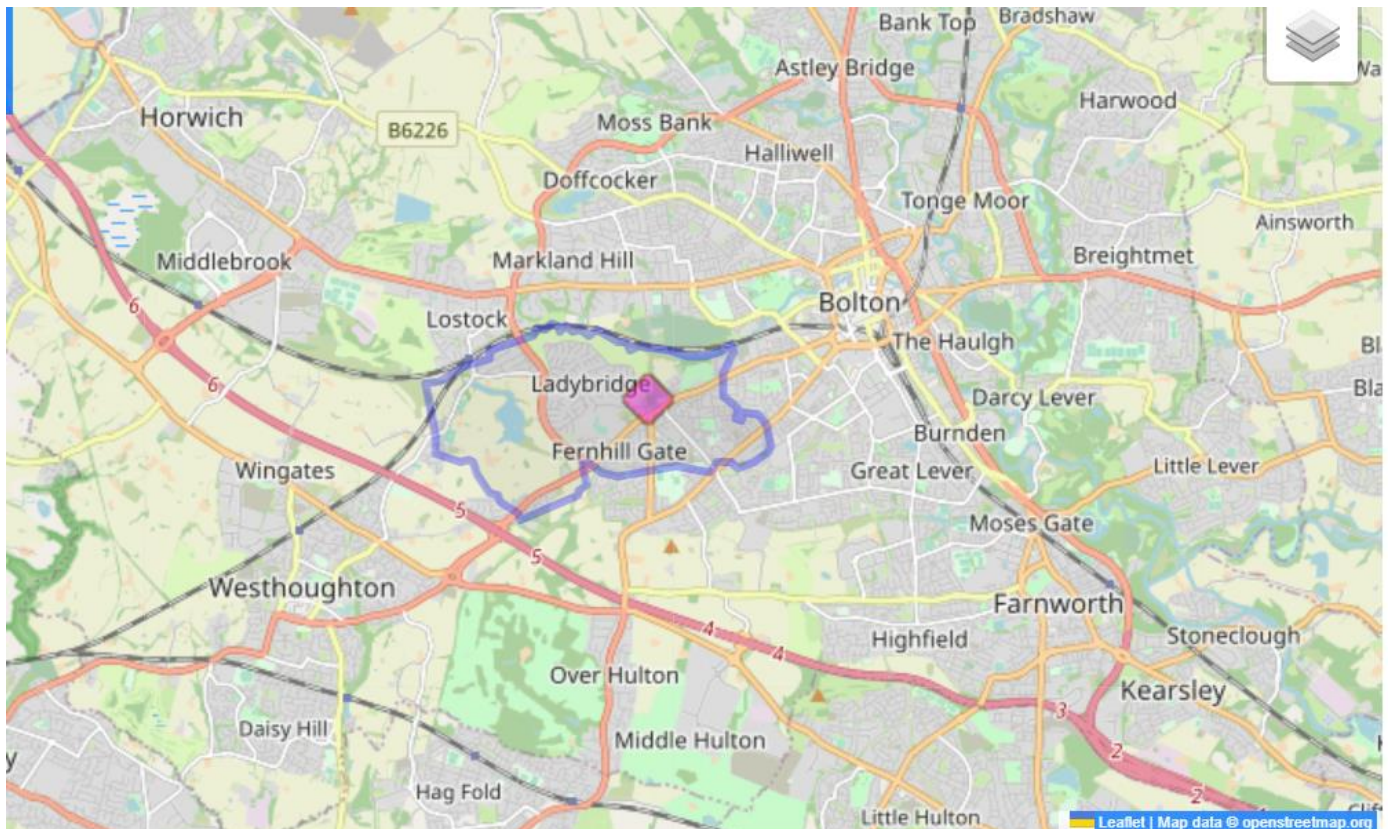

***Mary's** parents were **George and Sarah Hutchinson** also of **Ringley**.*

***Ringley** is not far at all from **Farnworth** where the son of **Thomas**, our **Peter** and nine siblings grew up. It is possibly a coincidence but it is possible our **Peter** was named after his grandfather in this case. All the dates work for this scenario give or take a year or two. Especially with census records. People forgot 'about' dates. Christenings could also happen several years after birth. Just when convenient.*

*Our **Peter** was christened at **Deane**, not far from **Farnworth** as well. His mother's grandparents **Joseph and Mary** had lived in **Deane** as well.*

*The parents of **Mary**, who were 'George and Sarah' were married in **Deane**.*

***Mary** is the mother of **Thomas** in this scenario...*

*Note: In the 1851 English Census Thomas was a ‘Finisher’ in a Cotton Mill. The 1861 and 1881 census tells us he was now a ‘Railway Gate Keeper’. When he and Mary were married about 1830, they both signed the marriage cert with an ‘X’ which would indicate they had had very little education in writing ...*

## ‘SCENARIO TWO’

### CHAPTER ONE:

The screenshot shows the Ancestry.com.au website. At the top, the browser address bar displays the URL: <https://www.ancestry.com.au/family-tree/person/tree/29019648/person/12126077395/facts>. Below the address bar, the profile of Thomas Hutchinson is displayed. The profile includes a birth date of 8 JAN 1808 in Holcombe Brook (spelt Holcombrook), Lancashire, England, and a death date of JUL 1890 in Greater Manchester, Lancashire, United Kingdom. The 'Facts' section lists the following events:

- Birth**: 8 Jan 1808 • Holcombe Brook (spelt Holcombrook), Lancashire, England. 6 sources.
- Baptism**: 31 Jan 1808 • Tottington, Lancashire, England. 1 source.
- Birth of brother John Hutchinson** (1811-1873): 18 Mar 1811 • Holcome Brook, Bury, Lancashire.
- Birth of brother Jesse Hutchinson** (1813-1878): 9 Nov 1813 • Bury, Lancashire, England.
- Birth of brother Ralph Hutchinson** (1815-): 8 Nov 1815 • Lancashire, England.
- Birth of brother Robert Hutchinson** (1818-): 13 Jul 1818 • Bury, Lancashire.

The 'Sources' section lists the following sources:

- 1841 England Census
- 1851 England Census
- 1861 England Census
- 1871 England Census
- 1881 England Census
- Ancestry Family Trees

The 'Family' section lists the following family members:

- Parents**: William Hutchinson (1789-1869) and Rachel Yates (1786-1857).
- Siblings**: Mary Eckersley (nee Brooks) (1805-1893), Mary Hutchinson (1831-1915), Nancy Hutchinson (1831-1907), John Hutchinson (1833-1896), and George Hutchinson (1835-1913).

Above from: [www.ancestry.com.au](http://www.ancestry.com.au)

The example above (screen shot from Megan) tells us that there was ‘a’ **Thomas** born in Holcombe Brook, Lancashire in 1808 and christened in Tottington, Lancashire 1808 and his parents were **William and Rachel Hutchinson**. It also gives his spouse and children. But which ‘**Thomas**’ was this families head? After a lot of investigation, the compiler has found official records for some of these people in this screen shot but the one main character who is missing is our ‘**Thomas Hutchinson**’.

Looking closer at this record one can see that five of the sources for the birth and the Baptism for this ‘**Thomas**’ have come from the 1841 to 1881 census, yet we know for a fact that **our Thomas** from his 1841 to 1881 census has the following information...not what is suggested above... **born in Holcombe Brook, Lancashire in 1808 and christened in Tottington, Lancashire 1808?**

From the UK census records we have for our **Thomas Hutchinson** born about 1808-1809...

1841 census he says he was 30 and born in Lancashire.

1851 census he is 43 and was born in Farnworth, Lancashire.

1861 census he was 52 and was born in Farnworth, Lancashire.

1881 census he was 72 and was born in Farnworth, Lancashire

**Note: At this stage there has not been an official record found for a 'Thomas Hutchinson' born in Holcombe Brook, Lancashire in 1808 and christened in Tottington, Lancashire 1808. Parents William and Rachel.**

However, the following records show that there was a **Thomas**, Christened 1817 in **Tottington**, with his parents being **William and Betty**. Then the 1851 census records would suggest that there was a **Thomas Hutchinson** born 1810 at **Tottington**, Lancashire but he was married to **Betty**, so is this the same **Thomas** born in 1810 and christened in 1817. Parents **William and Betty**.

(Obviously not **the William and Rachel** from the previous '*ancestry certificate*')

## THE 'STRACATHRO'

[The Stracathro | NZETC \(victoria.ac.nz\)](http://victoria.ac.nz/NZETC)

### Interesting Facts about an Immigrant Ship...

An interesting souvenir of the days of sail is an old circular of the year 1881 of the New Zealand Shipping Company. It advertises the "dispatch as a special passenger ship to Auckland" of the "magnificent iron clipper Stracathro, 2000 tons burthen, 100 Al at Lloyd's, T. B. Peters, commander, for the conveyance of settlers about to proceed to the Te Aroha lands, under the auspices of Messrs. Grant and Foster, the Lincolnshire Farmers delegates to New Zealand." Saloon fare was £42, second saloon £25, and steerage £15 to £18. Second class passengers were required to provide themselves with "bedding, knives and forks, table and teaspoons, one or two deep metal plates and dishes, a hook teapot, cups and saucers or tin drinking vessels, a water can, washing utensils, towels, etc."

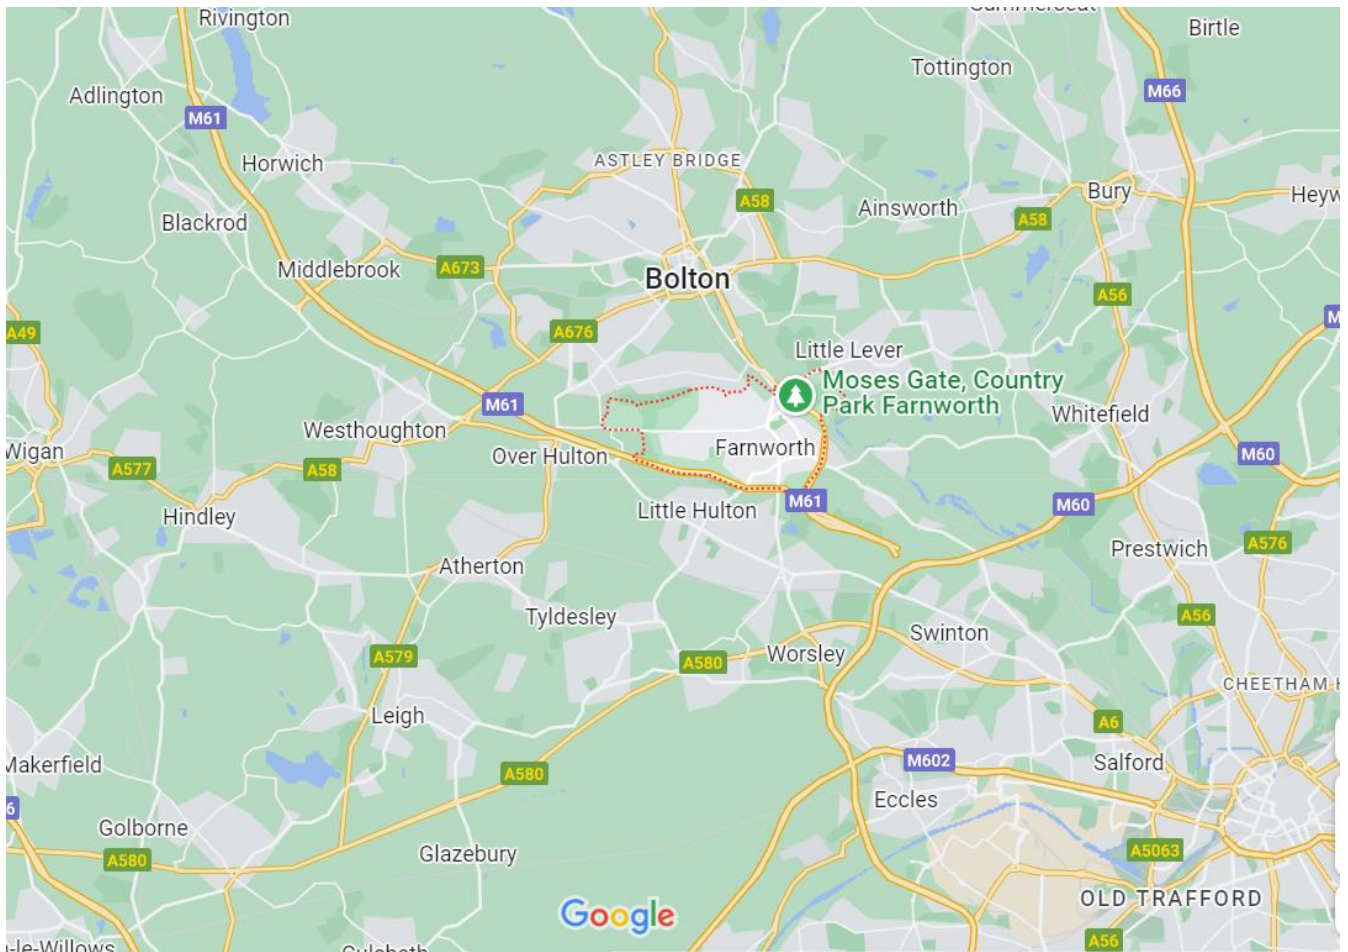

Further interesting particulars about this fine craft are contained in a manuscript description loaned to the author. For instance, she carried a crew of 28—master, three mates, two cooks, two stewards, one carpenter, one sailmaker, one boatswain, twelve able seamen, two ordinary seamen, and three apprentices. Her registered tonnage was 1159, not the "2000" round figures of the circular. She carried skysails on both main and foremasts. The mainmast was 140 feet, the foremast the same height, and the mizzen was 100 feet from the deck. Her main yard measured 77 feet, and the spread of her foreyard and studding-sail booms was no less than 129 feet, Nautical men will be interested in comparing paring these measurements with the length of the barque, which was 230 feet. She had a beam of 35 feet, and the depth of her hold was 21 feet. Including passengers, she carried 72 souls on her 1881 voyage from London to Auckland. The livestock carried for cabin purposes was 144 fowls, 50 ducks, 13 sheep, and nine pigs.

### Dirty Weather.

The Stracathro made four voyages to New Zealand, three being to Auckland and one to Dunedin, In 1879 she left London on November 26, and arrived in Auckland on March 1, 1880, the passage taking 95 days from Gravesend. She again visited the Waitemata in 1881, leaving the Docks on July 29, and making port on October 28, the time occupied being 90 days port to port or 83 days land to land. On neither of these passages was there anything of an unusual nature during the voyage, but in 1880 she had a very stormy trip. Leaving the Docks on May 13 she did not reach Auckland until August 30, a passage of 109 days. She started out in had weather, but matters improved and continued so until the Southern Ocean was reached, and there she was dogged by a succession of gales that sorely tried the patience of the passengers, of whom there was a large number on board. In latitude 43.40 south a series of heavy gales was met. High confused sea caused the vessel to roll heavily, and the decks were frequently filled with water. This unpleasant weather lasted until July 31, when the wind blew with greater force, and was accompanied by hail, sleet, and snow. At times the wind reached hurricane force, and the ship was able to carry lower topsail only. There was a mountainous sea, which repeatedly filled the decks to the rails, and during the height of the gale the parrel of the main topsail yard (it holds the yard to the mast), which had once before parted, again carried away. On August 7, when running before a heavy gale, a sea was shipped over the poop. It broke on board with great violence, smashing the wheel, and

knocking down and seriously injuring the man at the wheel. During this gale the ship was hove to for thirty hours.

The last passage of the ship to New Zealand was that to Dunedin. She left Gravesend on May 4, 1878, and reached Port Chalmers on August 3, a passage of 91 days. Captain Millar was in command in 1880 and 1878. Captain Peters, who was chief officer in 1880, commanded when the ship visited Auckland in 1881, and Captain Smith was in command on the passage she made in 1886.

### MR. S. T. HUTCHINSON.

The death from influenza occurred yesterday of Mr. Stanley T. Hutchinson, at his residence, Edendale. Mr. Hutchinson, who was 38 years of age, was the fourth son of Mr. Peter Hutchinson, of Ponsonby, and was a member of the firm of Messrs. Hutchinson Bros., wholesale provision merchants. Mr. Hutchinson was a native of Auckland. One brother, Captain G. R. Hutchinson, a member of the Auckland Harbour Board, has been on active service for some time. Superintendent Hutchinson, of St. John Ambulance, is a brother of the deceased.

---

**MR. PETER HUTCHINSON.**

On Sunday night, at the advanced age of 80 years, there passed away at his residence, "Farnworth," Marine Parade, Herne Bay, Mr. Peter Hutchinson, who was for many years a well known business man in Ponsonby. A Lancashire man by birth Mr. Hutchinson spent his early years in the village of Farnworth, whence he later moved to Liverpool to reside for some years. In his young manhood he joined the service of the North-Western Railway, where in those pioneer days of railways he went by the sobriquet of the "Boy Driver," running many fast trips on the Carlisle express. On marriage he retired from the railway and settled down to business in Paddington, Liverpool. Caught in the net of emigration propaganda then widely thrown over England, he decided to come to New Zealand, sailing in the ship *Stracathra* in the year 1881. On arrival with his wife and family of four children they endured with courage the vicissitudes of those early days, and after several diverse experiences established a grocery business in Ponsonby Road, at the top of Summer Street. Mr. Hutchinson retired from business about 25 years ago, the business being then incorporated by his four sons into Hutchinsons Limited. Of a retiring though genial nature, Mr. Hutchinson resisted all efforts to induce him to embark upon a public career, his sterling character finding expression in his private life. He was for years a well known member of the Ponsonby Bowling Club. He lived an active life up to the time of his last illness, which was of only a few months' duration. His wife predeceased him five years ago, as did two of his sons, Messrs. W. D. and S. T. Hutchinson. The remaining members of the family are Messrs. G. R. and F. J. Hutchinson, Mrs. E. Aldridge, and Misses F. P. and G. M. Hutchinson. There are seventeen grandchildren and three members of the fourth generation. The funeral took place to day at Wai-karaka cemetery.

**MRS. P. HUTCHINSON.**

A respected Ponsonby resident for nearly forty years, in the person of Mrs. Ann Ellen Hutchinson passed away, late on Sunday night, at her residence, Marine Parade, Herne Bay, at the advanced age of 73 years. Mrs. Hutchinson, with her husband and four young children, left Liverpool, England, in December, 1878, sailing from Tilbury Docks in the barque Stracathra, which, after a voyage of ninety days, reached Auckland in March, 1879. After experiencing for four years the vicissitudes common to colonial life in the early eighties, they bought a grocery store on Ponsonby Road, from which beginning have grown the present businesses of Messrs. Hutchinson Bros., Ltd. Mrs. Hutchinson had a family of seven children, two sons, Messrs. W. D. and S. T. predeceasing her. Her husband, Mr. Peter Hutchinson, mourns her loss, as do also two surviving sons, Messrs. G. R. and F. J., Hutchinson, and three daughters, Mrs. E. Aldridge and Misses F. P. and G. M. Hutchinson. The funeral will take place at Waikaraka Cemetery to-morrow.
